Hi Dee. This is great news. Unfortunately, I had to come home today due to feeling ill. I'm hoping it is just a passing bug and not the start of that horrible flu-thing that is hitting folks. You'll hear from me tomorrow if it's bug--- or asap if it is the lumpuckeroo.

Respectfully,

Hi Steve
Enclosed is the LDV for the portion of the Sunshine CG withdrawal that will remain intact. The BLM Supp. Plat for Federal Parcels 1 and 2 represents it as well. I now believe that you have everything you need to send this partial withdrawal revocation package to Michael Barns for accuracy review and then to Vanessa Engle to obtain the needed signatures. Please confirm this.
Thanks
Dee
